Going Dutch has never been so tasty!

Dutch Edam is a delicious cheese for all the family to enjoy, especially the children. A natural, ripened cheese, Edam has a delicate and mild flavour that is an instant hit with those little taste-buds. Not only is it still produced using traditional methods but it is also a great source of calcium, so perfect for those growing bones. The UK government has even recommended Edam as a healthier cheese alternative for lunchboxes – so it must be good!

The Children's Choice!

Why not encourage your kids to get cooking with Edam too? For such a simple ingredient the options are endless – you can grate it, melt it, grill it or just eat it on its own. Here is a deliciously easy recipe for 'Kids Easy Cheesy Omelette Wraps' – perfect for a hearty breakfast or a light tea time treat.

Combining eggs and salmon, this recipe is a great way to get your children trying new flavours – and they'll love making it with you too!

You can experience Edam!

The healthier option

Dutch Edam is perfect for those of you that hate to diet and love to indulge. Without compromising on flavour you can enjoy the creamy delicate taste of a mild, hard cheese without the consequences.

The perfect place for the whole family to visit – Edam the Town

The popular ball shaped cheese with its distinctive red rind is named after the Dutch port town of Edam, which is located just outside Amsterdam. For centuries Edam cheese has been produced in the town of Edam and not only sent around Holland but exported across the world.
